

## **Ithaca Alumni Hall of Fame Athletic Achievement Award**

A group of former Ithaca students has established a Hall of Fame Committee for Athletic Achievement.

The purpose of the Hall of Fame is to honor and value the school's heritage and to serve as a source of pride and inspiration for younger Ithaca athletes.

The goals of the committee are:

1. To recognize Ithaca athletes or coaches who have had outstanding athletic performances during their high school careers or years of service at their high school;
2. To update and establish records in all sports;
3. To post Hall of Fame plaques and athletic records.

To be eligible for the Hall of Fame Athletic Achievement award membership, the individual must have graduated or left Ithaca at least 5 years ago. The additional qualifications for an athlete and/or coach are as follows:

1. Was a state champion or state place winner in an individual sport or coached a team or individual at state;
2. Received recognition as an all-state or honorable mention all-state in their sport;
3. Was a multiple year all-conference selection; or
4. Was a multiple letter winner.

Nominations will be open in the fall and presentations will be during the Homecoming celebration, typically during halftime at the football game. If you would like to nominate an individual, please fill out the form and return to:

or to the
