Why:

Screening allows us to get to know your 3-year-old or 4-year-old child better in a play-based screening scenario. It will also allow you to receive information for/about your young child, whether there may be any developmental concerns that need addressed in preparation for their future school experience, and to register your 4-year-old child for 4-Year-Old Kindergarten for the 2018-2019 school year.

Please call the Ithaca School Office at (608) 585-2311 to schedule an appointment. If your primary language is not English, please request Carrie Pope.

Thank you, and we look forward to meeting you and your child!
