

Ithaca Middle School 2017-2018 Supply List

The Ithaca Middle School teachers have compiled a list of supplies that will be used by the students throughout the entire 2017-2018 school year. We hope that this allows you to save money by purchasing all the materials during the back to school sales. Some of these supplies can be stored at home until needed at school. Many items can be used in multiple classes.

ALL students need to bring 3 boxes of kleenex. Kleenex are shared among all middle school rooms so please be generous. They can be brought to the MS Science room to be stored and distributed to all the middle school classrooms throughout the school year.

ALL students must have at least 100 pencils. *Students never have enough pencils.* Buy plenty during the back to school sales and keep them for the entire year. ***Send more pencils each quarter.***

All students must have small headphones or earbuds to leave at school and be used with their Chomebook. They may also choose to purchase their own wireless mouse.
